	U.S. Government		
	Gentlemen:		
	Subject: Proposal for An Automated Film Transport Study		
	Reference: PIC-02-70 (50040)		
	is pleased to submit for your consideration		STAT
	our Technical Proposal I.N. 1009 for the Study of Automated Film Transpo Systems.	rt	
	It is proposed that this work be accomplished in three phases:		<i>x</i> .
	Phase I Survey of present techniques Phase II An evaluation and correlation of data Phase III Special tests, evaluations and Final Report.		
	It is planned that all phases of work will be completed within twelve (12) months after receipt of order for a total cost This offer is based upon a Fixed Price Level of effort contract. A breakdown of costs are enclosed in the attached DD633-4.		STAT
	In response to your request, also included is the detailed Anticipated Expenditure Rate by month, and a special breakdown of costs by phases.	·	
	The attached technical program clearly outlines the approach size of sels will accomplish the desired goals. We have included brief description of our available facilities and personnel qualifications, as well as a company brochure describing some of our previous designed equipments, all utilizing roll film transport systems.	· •	STAT
